13515 Zori Ln

Windermere, FL 34786

EDUCATION

University of Central Florida   Orlando, FL

Major: Computer Science

Minor: Mathematics

Accelerated Bachelors to Master's Program

Overall GPA: 3.911/4.00

Expected Graduation: May 2025

SKILLS

- **Programming Languages:** Java, C, Python, CSS, HTML, JavaScript
- **Software:** Github, MS Word, LaTex, VS Code, and Excel
- **Soft Skills:** Entrepreneurship, Project Management, Graphic Design, Advanced Understanding in Complex Algorithms and Data Structures.

PROJECTS

RateMyPeer   http://ratemypeer.site/

- Developed and maintained the web frontend using React and Bootstrap CSS.
- Built and deployed mobile applications using Flutter.
- Implemented RESTful APIs to support frontend and mobile applications.

RELEVANT COURSEWORK

- **Systems Software:** Developed a compiler for a simplified version of the C programming language, demonstrating deep understanding of software architecture and programming principles.
- **Introduction to Artificial Intelligence:** Gained foundational knowledge in AI concepts and techniques, including machine learning algorithms and data processing.
- **Object Oriented Programming (Java):** Strengthened skills in Java through hands-on development of applications following object-oriented design principles.
- **Discrete Mathematics I & II:** Acquired a robust understanding of theoretical computer science concepts including logic, set theory, combinatorics, graph theory, and probability.
- **Computer Science I & II:** Mastered various algorithms and data structures, enhancing problem-solving abilities in computational contexts.

EXPERIENCE

Headstarter SWE Fellowship   July 2024-Present

- Engaged in a comprehensive fellowship program focused on developing software engineering skills.
- Participating in hands-on projects and collaborative learning experiences.
- Receiving mentorship and guidance from industry professionals.

Self-Employed Embroidery Shop   Windermere Florida

Custom Embroidered Apparel   Aug 2022-Present

- Managed an online store with 130+ sales, handling all aspects from product creation to customer service all while maintaining a high gpa.

CAMPUS & COMMUNITY INVOLVEMENT

MSA, *Member*   August 2021 - Present

KnightHacks, *Member*   August 2023 - Present

ICO Volunteer   Aug 2020 - April 2021
